A new novel by the author of *Small Town Punk*

Praise for *Small Town Punk*:

"... an easy affection for his characters and a sense of natural, unforced humor."

Booklist

"A convincingly detailed portrait of Reagan-era Sarasota, Florida..."

Chicago Reader

"Much of this feels like Bret Easton Ellis's debut, *Less Than Zero*, albeit in a far, far less privileged environment. Both writers have a real knack for ending chapters with brief, emotionally walloping sentences; both take shots at 'Reagan's America'; both repeatedly use song lyrics to create irony."

Time Out Chicago

"... an all-too-real look at how things were ..."

TooSquare Magazine

"...full of raw feeling and taut smart prose."

Sam Lipsyte, author of *The Subject Steve*

"Sheppard...shines brightest when he transforms a mundane detail into a surprise right hook...The fun never stops."

Erin O'Brien, author of *Harvey and Eck*

Release Date March 2008

ISBN 978-0-6151-8129-5

About the author:

John Sheppard served four years in the United States Army as an Illustrator (MOS 81E). He was honorably discharged after Gulf War I. He went on to receive an MFA in Creative

Writing at the University of Florida, where he studied under Padgett Powell, Marjorie Sandor and Harry Crews. He has worked as a grill cook, web site designer, junk mail writer, small town newspaper editor and civil servant.

About Paragraph Line Books:

Paragraph Line Books was founded by Jon Konrath, author of *Rumored to Exist*, in 2007. Paragraph Line Books is privately funded and is not associated with any university, writing program, or major publisher. That means we're always broke, but it also means there's no corporate or academic agenda, and we can say "fuck" as much as we want.
